

# RCFS2001 Airplane Library 1 (Aerobatics)

Requires RCFS2001 Simulator

*Pictured here are the 10 aircraft in our Airplane Library 1 - the Aerobatics.*

*This add-on library is a set of 10 aerobatic models featuring some of the most popular r/c kits ever:*

*Cap 232 • Decathlon • Edge 540 • Giles G-202 • Laser 200 •*

*One Design DR-109 • Pitts S2B • Sukhoi SU-26 • Ultimate • Zlin Z-50M*

*These models fly as well as they look and expand your existing 14 models in RCFS2001.*

*Look for this package to be on the market sometime before December 2001.*

*For details on these add-ons, visit our web site [www.dbproducts.com](http://www.dbproducts.com), or give us a call.*
