

Universal **TUNED PIPE MOUNT**

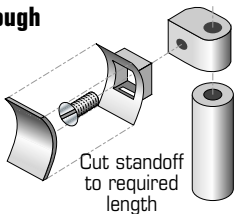

DAVE BROWN PRODUCTS INC.

FOR MOUNTING UNDERWING (REMOVABLE)

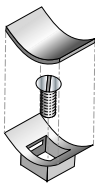

**Use $\frac{1}{4}$ - 20 bolt through
standoff**

NOTE: In some cases a long, rear wing hold-down bolt will be most convenient.

FOR FUSE SIDE OR TOP MOUNT

**Screw cradle directly to fuse or
use standoff with no. 8 screw**

**Tie-Wrap pipe to cradle using
foam tape insulator in either case.**
